WHAT SHOULD WE BRING

- Warm clothing,
- Good footwear,
- Tracking collars are a good idea, if you lose a dog it is a requirement that you notify us so we can pass the information on to DOC as well as other hunters,
- Rip collars,
- Hunting knives
- Rifles,
- Fire arms license,
- Cooking equipment, some sites have minimal cookware so it is advised to bring your own to avoid disappointment,
- Tents or tarps,
- Sleeping bags and mattress,
- Fluids, or containers to hold fresh water,
- Lighters,
- Food supplies,
- Dog leads,
- First aid kit for yourself and your dogs,
- **Rubbish bags**
- Hunting Permits, these can be done in our office before you fly in or online, see our webpage,
- Your dogs need to be Kiwi Aversion trained before they can hunt on DOC land, if they have a current certificate please bring this with you, if your dogs have Micro chips please bring their Micro chips number with you.

We appreciate you co-operation and hope you enjoy your Hunt,

Kind Regards

Peter Law

Managing Director / Chief Pilot
